

**CUPOP  
November 3, 2009 Meeting  
Minutes**

Chairman John Ciarleglio called the meeting to order at 7:49 pm in the Senior Center Lounge.

All members present: Buddy Britton, John Ciarleglio, Sheri Cifaldi-Morrill, Judy DiFrancia, Richard LeVine & Clio Nicolakis.

Agenda Items:

1. Approval of minutes from October 6, 2009 Meeting: Richard LeVine moved to approve the minutes, Buddy Britton seconded. Motion passed unanimously.
2. Update on old business:
  - a. ADA compliant children's playground proposal – John Ciarleglio signed our comment letter about the playground and sent it to First Selectman Ed Sheehy last week. Ed responded on 10/30 referring the matter for discussion at the 11/10 BOS meeting. He is also following up on the noted disrepair issues of the "choo choo playground".
  - b. Country Club of Woodbridge advisory committee proposal – Buddy Britton encouraged members of the committee to attend the Open House at the Country Club of Woodbridge on 11/9 from 10am – 2 pm. John Ciarleglio revised our letter proposing an advisory committee for the Country Club. When he delivered the letter to Town Hall, John was told that a committee had already been appointed at the 10/14 BOS meeting. CUPOP was not asked to serve on this committee and we do not know who has been appointed. Members expressed concern that CUPOP was not asked for advice on this issue. Buddy Britton had specifically discussed this Country Club issue with Ed Sheehy. In the past, when special committees have been formed, CUPOP has been asked for a representative. Chairman John Ciarleglio will draft a letter of concern regarding this issue.
3. CUPOP Survey Book status: John Ciarleglio reported that he is almost done updating the CUPOP Survey Book! Betsy Quist, Town Assessor and Stephanie Ciarleglio, Town Clerk, have been pulling all the maps, deeds, photos, assessor cards for over 100 properties. Once the remaining maps are pulled, CUPOP will just need to alphabetize (by street address), bind and put in title pages. Copies will be made for the Town Clerk, the BOS and CUPOP for easy reference and a copy will be scanned for digital access also.

Meeting adjourned at 8:01 pm.

The next CUPOP meeting is Tuesday, December 1, 2009 at 7:30 pm in the Senior Center Lounge.

Respectfully submitted,
