

**CUPOP
December 1, 2009 Meeting
Minutes**

Chairman John Ciarleglio called the meeting to order at 7:40 pm in the Senior Center Lounge.

Members present: John Ciarleglio, Sheri Cifaldi-Morrill, Judy DiFrancia, & Clio Nicolakis.

Agenda Items:

1. Approval of minutes from November 3, 2009 Meeting: Sheri Cifaldi-Morrill moved to approve the minutes, Judy DiFrancia seconded. Motion passed unanimously.
2. Update on old business - Country Club of Woodbridge advisory committee: John attended the last BOS meeting to express our concern that CUPOP was not represented on this new committee. As a result, he was appointed by the BOS. There are 10 committee members and the first meeting is December 8th, after which he hopes to report more information.
3. CUPOP Survey Book status: John Ciarleglio discussed the process for putting the final book together and we made a list of needed supplies. Sheri will produce the title pages.
4. Alegi Property: Sheri Cifaldi-Morrill moved to add this agenda item. Clio Nicolakis seconded. Motion passed unanimously. Sheri was wondering what happened with the farm/baseball field/playground discussions. The Board of Selectman had a special meeting to walk the property but none of CUPOP was present. CUPOP needs to obtain those minutes from Town Hall. Discussion ensued regarding the conservation area behind the Santoro house but we could not find that Center Road parcel on our CUPOP Survey list. Clio Nicolakis will research.

Meeting adjourned at 8:18 pm.

The next CUPOP meeting is Tuesday, January 5, 2009 at 7:30 pm in the Senior Center Lounge.

Respectfully submitted,

Clio Nicolakis
