Woodbridge Conservation Commission
Special Meeting – September 17, 2020
In attendance: Jason Morrill, Chair, Traci Cipriano, Leland Torrence, Frank DeLeo (present by phone)
Excused: Sharon deKadt

The meeting was called to order at 7:20pm.

Agenda

1. No public comments were submitted for this meeting.

2. A motion to approve the minutes from the July 16, 2020 special meeting was made by Jason Morrill and seconded by Kate Rozen. There was no discussion and the minutes passed.

3. Jason Morrill provided an update on 17 Woodbine Lane / 35 North Pease - two parcels. There has been no change in status.

4. Review and refine parcel rating tool; objective and subjective measures.
   The Chair presented a rating system. Jason Morrill used the current guidelines created by the WCC to create ratings on properties identified in the open space plan. The members of the committee provided feedback and discussed the rankings.

5. Chairman’s report.
   Jason Merrill spoke with Betsy Yagla, Assistant Administrative Officer at the town Hall. The update included that the agriculture commission is still in the process of being formed. The driveway expansion at Fitzgerald property is currently on hold. The recent storms that came through did cause some damage but it seems like the trailmaster has taken care of it. Interested committee members should reach out to the Chair for resuming guided trail hikes. An update on the tree planted in memory of former Woodbridge Conservation Commission chair, Kathy Gartland was provided. The original tree had died and a new one is being planted in its place.

The meeting adjourned at 8:23pm.
