Minutes

In attendance: Jason Morrill, Susan Dieterlen, Leland Torrence, Traci Cipriano, Sharon de Kadt and, Kristine Sullivan (for guidance).

The meeting was called to order by Jason Morrill at 7:00 PM.

Per our request, Kristine Sullivan, from the Woodbridge Building and Land Use Department, attended our special meeting and told us about the new zoning created by Town Planning and Zoning with specific attention to the two new zones T1 and T2.

Collectively, we decided to look at larger tracts of undeveloped land in the Town of Woodbridge. Under consideration will be parcels of land equaling 6 acres or more. The individual parcels will be accessed for their ecological importance and likelihood of development.

By consensus the meeting adjourned at 8:30 PM.
