## Preliminary Budget Hearing is April 17

On Monday, April 17, 2017, at 7:30 pm, the Board of Finance will conduct a Public Hearing at the Center Gym regarding the FY 2017-18 budget. We invite you to share your questions, comments, and concerns. Following the hearing, the Board of Finance may further review and modify the budget before its final recommendation to the Town at the Annual Town Meeting on May 15.

The budget includes three categories of spending: (1) our Town's share of the Amity Regional School District's operating costs, capital improvements, and debt service; (2) Beecher Road School operating costs; and (3) all remaining Town functions, capital improvements, and Town debt service. Also included, for general planning purposes, are potential six year capital projects.

Of the three spending categories, Amity and Beecher budgets see increases: 3.13% for Amity Regional School Dis-

trict, 3.26% for Beecher Road School.

Spending for all remaining Town functions decreases by .47%. The reductions required tough choices, but were made with Woodbridge taxpayers' best interests in mind.

This preliminary budget would result in a tax increase of 1.31% for the average Woodbridge household, or about \$160.

The mill rate for motor vehicles has been capped by the State at 32.00 mills. This has put upward pressure on our real property and business personal property mill rate: 39.44. Your tax bill is based on the assessed value of your home, business personal property and motor vehicle(s) multiplied by the applicable mill rate.

By mid April, copies of the preliminary budget will be available at Town Hall, the Library and the Town website.

*Ellen Scalettar, First Selectman*

## Town Elections are May 1; Amity Budget is May 3

Elections will be held Monday, May 1, at Center School Gym (4 Meetinghouse Lane) from 6 am to 8 pm. The First Selectman, Board of Selectmen and other elected boards will be on the ballot.

The new Accessible Voting System (AVS) will be operational for use by any voter, including voters with impaired vision or hearing, and those with difficulty marking a paper ballot with a pen. Using AVS, voters mark ballots using a touch screen or headphones and keypad. Voters with difficulty leaving their car may request curbside voting upon arrival.

Voters physically unable to get to the polls may vote by absentee ballot. Applications are available at the Town Clerk's office at Town Hall. The Registrars of Voters offer assisted absentee balloting at the local assisted living facilities.

All citizens who are Woodbridge residents are eligible to register and vote in the municipal election. Voters may check their registration status on the Secretary of State website ([ct.gov/sots](http://ct.gov/sots)) under "elections and voting" or by calling the

Registrars at 203-389-3408.

Eligible residents may register online at [voterregistration.ct.gov](http://voterregistration.ct.gov), by mail with forms available on the Town's website or at Town Hall, or in person at Town Hall at the Registrars of Voters office on Wednesdays, 9 am to 1 pm or at the Town Clerk's office 8:30 am to 4 pm Monday to Friday.

The deadline for advance voter registration is April 24. Registrations must be completed online, received in person, or postmarked by that date. Those who become eligible (via age, citizenship, residency) after April 24 may register until April 28. Those who do not register before the deadline may do so on Election Day at the Election Day Registration location in the Senior Center Cafeteria, next door to the gym.

The Amity Budget Referendum is Wednesday, May 3, at the Center School Gym from 6 am to 8 pm. In addition to registered voters, nonresidents with property on the most recent Grand List assessed in excess of \$1,000 may also vote on the budget referendum.

## First Selectman Visits Homewood Acres

have fond memories of playing golf in their backyard as children. Today, the course is maintained by Cindy's spouse, Dan McKee, and Mike.

The course is membership-based with annual fees. Prospective members can apply at any time of year

First Selectman Ellen Scalettar recently visited Homewood Acres, a family owned and operated golf course located on Racebrook Road.

Siblings Cynthia Baldwin (Cindy) and Malcolm Baldwin Jr. (Mike) explained that their 50 acre 18-hole course started as their grandparents' neighbor's putting green. It grew to include six greens and nine tees that crisscrossed between the two properties. Later, the Baldwin family expanded it into the 18-hole course it is today.

Cindy and Mike (pictured with First Selectman Scalettar)

and are given a tour and a free round to familiarize themselves with the course before becoming members.

Homewood Acres is not like a traditional golf course: Greens are mowed every other day instead of daily, there are no tee times and members can play at their own pace any time of day, any time of year.

"There's a real family feel to this. You're so unique in your model," said Scalettar.

## DPW Offers Bulk Pick Up

The Department of Public Works began Bulk Pick Up (by appointment only) in March. Appointments can be scheduled through the Public Works Office by calling 203-389-3420.

Scheduled pick ups are Tuesdays between 7:30 am and 3:30 pm. Items for pick up should be large household items that don't fit in the trunk of a car such as: large furniture and appliances, gas grills, lawn mowers, carpeting, bed frames and the like. No brush, demolition, recycling or hazardous materials are permitted. There is a \$10 charge for Freon appliances (A/C & refrigerators) which must be pre-paid at the Public Works Department, 15 Meetinghouse Lane.

Bulk pick up is offered March to May, October and November.

# Announcing One Book, One Town

This year we have selected “The Table Comes First: Family, France, and the Meaning of Food” by Adam Gopnik as our One Book, One Town selection.

Gopnik takes us on a beguiling journey in search of the meaning of food in our lives as he charts America’s recent and rapid evolution from commendably aware eaters to manic, compulsive gastronomes.

Throughout, he reminds us of a time-honored truth often lost amid our newfound gastro-nomic pieties and certitudes: What goes on the table has never mattered as much to our lives as what goes on around the table — the scene of families, friends, lovers coming together, or breaking apart; conversation across the simplest or grandest board. This, ultimately, is who we are.

Copies of this book are available for checkout at the Circulation Desk.

Join us in reading and in our One Book Events:

The book is a sweet and captivating look at a woman who was an inspiration for many and whose legacy endures. ## From the Director

*“Not everything that counts can be counted. And not everything that can be counted, counts.” — Albert Einstein*

This month the Human Services Department will honor 129 volunteers at the 29<sup>th</sup> annual Volunteer Tea. The work of this department would not be possible without the many people who step up to sort food in the pantry, donate holiday baskets, staff the check-in table at Youth Services events, provide tax assistance or set tables for weekly lunches and more.

Our volunteers give of themselves freely and generously to make a meaningful contribution to our community.

This week we lost a member of the volunteer family at the Senior Center. If you came to the Senior Center any Tuesday since 2010, you’d find Edee Lockyer in her apron setting tables and keeping an eye on all of us as well. She was always willing to step up to help plan an event or give sage advice. She will be missed.

## Town Earns Budget Award

Once again the Town of Woodbridge has earned the Distinguished Budget Presentation Award from the national nonprofit Government Finance Officers Association (GFOA).

In a letter the GFOA states, “This award is the highest form of recognition in governmental budgeting and represents a significant achievement by your organization.”

The award is based on how well the Town’s budget serves as a policy document, a financial plan, an operations guide and a communications device.

“These awards recognize the outstanding work of our Board of Finance and our Finance Department,” said First Selectman Ellen Scalettar. “The Town of Woodbridge is fortunate to have a Finance Director of Tony Genovese’s caliber.”

Board of Finance Chair Matthew Giglietti added, “This budget award is particularly important because well-presented budget documents help residents understand how and what happens with their tax dollars.”

## Town Receives Donation from Beth-Wood Baseball

The Beth-Wood Baseball League presented their annual donation to the Town. The \$3,000 check, given by the League’s Board President, Dwight Rowland, helps the Town make improvements to and maintain the baseball fields and covers any overtime put in by the Woodbridge Parks Department during the League’s baseball season.

This is the Beth-Wood Baseball League’s 45<sup>th</sup> anniversary.

“Beth-Wood Baseball is a great community resource for our young people and the Town is happy to partner with the League,” said Scalettar.

“We have a really great relationship with the Town after working together for so many years,” said Rowland. “We do it all for the kids.”

Beth-Wood League’s Board President Dwight Rowland presents a check to First Selectman Ellen Scalettar.

The League’s Opening Day Ceremony will be held at 10 am on April 29 at the Town Center Green.
