

## Radio System Upgrade Moving Forward

### First Selectman's Column

I'm pleased to report recent progress on efforts to upgrade the Town's Public Safety Radio System and would like to keep you apprised of the next steps we plan to take.

As I described in my last column, the time has come to re-invest in this vital infrastructure. The current Radio System was installed in 2003 and at that time had an expected lifespan of 12- to 15-years. Due to the age of the equipment and shortage of replacement parts, the unreliability of the current system makes the upgrade a high priority. A Public Safety Simulcast Radio System consists of towers throughout town and a console that is used to send the data to these towers. It does not include the radios themselves – our current Police, Fire and EMS portable radio devices will continue to operate with a new Radio System.

The Boards of Selectmen and Finance met jointly on November 8th to receive a detailed presentation on the recommended Radio System replacement. I want to thank our

two Chiefs, Police Chief Frank Cappiello and Fire Chief Sean Rowland, for their work in putting together a very informative overview of where we stand today and why this upgrade is crucial to ensure the continuance of our Town's vital public safety services.

The aim of the upgrade will be to increase the coverage and reliability of the system as well as to improve the interoperability

between Police, Fire, and EMS – and to bring Public Works employees into the same system as well. The improved interoperability between all departments will be critical in all kinds of emergency conditions, including the increasingly occurring extreme weather conditions we face.

Following the presentation of the proposed Radio System, Town Administrative Officer Tony Genovese presented detailed financial data regarding the Town's current bonded debt and expected future obligations. This information enabled Board members to see how the Radio System upgrade project will fit into our long-term financial picture.

## Upcoming Holiday Activities and Fire Prevention Tips

### Santa & Mrs. Claus

The Woodbridge Volunteer Fire Assoc. (WVFA) will host Santa and Mrs. Claus at the Firehouse from 12 to 3 pm on Sat., Dec.16. The event is free and everyone is welcome. Bring your camera to capture the moment! Children may send a letter to Santa at [santa@woodbridgefire.com](mailto:santa@woodbridgefire.com).

Car seat technicians will be on hand to install car seats by appointment only. To schedule an appointment, call 203-389-3441

### Toy Drive

The WVFA is collecting toys for the Yale New Haven Children's Hospital Toy Closet through Dec.16. New, unwrapped toys may be dropped off at the Woodbridge Fire Department lobby (100 Center Road) Mon. through Fri., 8 am - 4 pm. Toys and gifts for all ages are needed (newborn through adolescent). Used and plush toys cannot be

accepted due to infection control policies.

### Winter Holiday Safety

- Choose flame resistant or retardant holiday decorations.
- Keep candles at least 12 inches from anything that burns. Blow out lit candles when leaving a room or going to bed.
- Turn off light strings and decorations before leaving home and at the end of

each evening.

- If you put up a Christmas tree, be sure the tree is at least three feet away from any heat source, like fireplaces, candles, radiators, heat vents or lights. Water cut trees daily.
- Heat your home safely. Keep anything that can burn 3 feet away from a fireplace, wood stove or space heater.

For more information on these events and winter safety visit [www.woodbridgefire.com](http://www.woodbridgefire.com) and [www.facebook.com/WoodbridgeFire](http://www.facebook.com/WoodbridgeFire).

## Radio System Upgrade Moving Forward

- continued from I

Members of the two Boards asked some important questions and the answers we received helped to clarify the situation and bring the group to consensus by the conclusion of the meeting. Both presentations as well as the question and answer session that followed were recorded by our Government Access cameras and are available for the public to view online at the Town website ([woodbridgect.org](http://woodbridgect.org)).

A Special Town Meeting will take place on Tues., Dec. 5th at 7:30 pm in the Center Gym, 4 Meetinghouse Lane. The purpose of the meeting will be to consider and act upon a funding request for improvements to the Radio System. Details about this

meeting are available on the Town website, [woodbridgect.org](http://woodbridgect.org).

As I have said, I believe it is vital that we see this project through to a funding decision as soon as possible and I deeply appreciate the cooperation and spirit of collegiality we are experiencing as we work together to invest in our public safety infrastructure.

As town residents, this Radio System upgrade is about you and your safety. I am available to answer any question you may have about this project – please contact me by phone at Town Hall, 203-389-3401, or by email to [bheller@woodbridgect.org](mailto:bheller@woodbridgect.org).

– Beth Heller, First Selectman

## Holiday Giving

### A Word of Thanks

Special thanks to Boy Scout Troop 63 for organizing the local food drive to benefit the Woodbridge Food Pantry. These scouts, with assistance from Troop 907 and Venture Crew 913, collected bags of food from many generous Woodbridge residents. Human Services will now be able to provide food to families in need for several months. Ben Inclima and Coleen Inclima have worked with the Boy Scouts and Human Services to coordinate these efforts.

A note of gratitude to our many volunteers who worked to sort and shelve the donated food: John Alvarado, Annie Bogush, Armando Palma, Max Kruger, Alex Oleschuk, Sharon Culbertson, Kevin Li, Aoi Tischer, and members of the Cohen,

Drew, Kinton, Massbach, Miranda, Polinsky, Rolf, Shanbrom and Sklarz families.

### Toys 4 Kids

Income eligible residents who need holiday toys for children 12 years of age and under should call Nancy Pfund at 203-389-3429 to set up an appointment to apply to TEAM, Inc. by December 15, 2017.

## Job Bank

**Wanted: Teens Who Desire Work for Cash...Need Holiday Money?**

Woodbridge teens, ages 13-18, interested in occasional paid jobs for Woodbridge residents should call Youth Services at 203-389-3429. Typical jobs include snow shoveling, yard clean-up, raking, gardening, weeding, babysitting and animal care. Parent permission required.

The Job Bank conducts an interview, and matches residents with registered teens who gain experience and self-confidence while earning some money. It's a perfect opportunity for young people to learn responsibility with assistance from Youth Services.

## Recreation News

For more information, call Recreation at 203-389-3446. Registration is available online at [woodbridgect.org](http://woodbridgect.org). Click Recreation Registration at the bottom of the Town website to register and view the lineup of program options.

## Holiday Safety Tips from the Police Department

*Happy Holidays from the Woodbridge Police Department!*  
While enjoying the upcoming holiday season, the  
Woodbridge Police Department offers some safety tips.

### Holiday Driving

- Have fun, but celebrate responsibly!
- Whether guest or host, have a plan to prevent drinking and driving.
- Have a designated driver – follow this simple rule to ensure guests arrive home safely after a holiday party.
- Put that cellphone away – avoid distracted driving.
- Be sure everyone is buckled up and children are in properly installed car seats.
- Be prepared for heavy traffic, inclement weather and hazardous road conditions.

### Away from Home during the Season

- Invest in automatic timers to have lights turn on and off at random times.
- Arrange for a trusted friend or neighbor to check your home and “keep an eye out.”
- Cancel newspaper and mail delivery, or arrange for pick up on a daily basis.

- Although excited about your holiday trip, it is not wise to advertise plans on social media such as Facebook.

### Sending and Receiving Packages

- Insure your packages and request a signature upon delivery.
- Request tracking and delivery confirmation.
- If away, ask a friend or neighbor to pick up your packages.
- When sending a package, let the person you are sending it to know that it is coming and when to expect its arrival.
- Do not leave packages or gifts on the seat of your car – keep them

out of sight in the trunk or move them inside the house.

### Holiday Charity Scams

- Be suspicious of scammers who refuse to provide details of the mission of their organization, but pressure you to donate right away.
- Require proof that your donation is tax deductible.
- Do not send donations in cash or by wire transfer, or allow the caller to send a delivery person to pick up the donation.
- Protect yourself by doing research and giving only to trusted charities.
