Elections and Events this Month

Every two years on the first Monday in May, we hold our *Municipal Elections*, when we elect our town government officials who serve our residents. This year we will be voting on **Monday, May 3**. Additionally, the annual Amity Regional District 5 *Budget Referendum* is scheduled for **Wednesday, May 5**, and on **Monday, May 17** the Town will hold our Annual Town Meeting where residents have a chance to vote on the Annual Town Budget. This year the meeting will be virtual due to the COVID-19 pandemic. Details will be on the Town website (www.woodbridget.org) soon. I encourage everyone to participate.

Once again the Town has earned the Distinguished Budget Presentation Award from the national nonprofit Government Finance Officers Association (GFOA). Please join me in congratulating our Finance Department and Board of Finance. I must also thank all our town departments for their efforts to balance Town services while being fiscally responsible.

On May 3 and 5, you may vote in person or absentee. To vote absentee, you must fill out an absentee ballot application (online or call the Town Clerk at 203-389-3424) by April 30 for the May 3 election and May 4 for May 5. Completed ballots may be dropped in the Ballot Box in front of Town Hall up to 8 pm the day of the election. More details are on the Town website.

Other ways to participate in Town life this month include the outdoor “Woodbridge Unplugged” concert series at the Library and the “Second Saturday” series. The “Second Saturday” series runs from May through September and is hosted by the Human Services, Library, and Recreation Departments. These outdoor events will offer free, family fun in the center of Town. Events include a chalk art party, a tag sale, book sale, art event and a craft fair. More details are on the Town website, including how to sign up to be a tag sale or craft fair vendor. I hope to see you at some of the events!

Lastly, the Town will resume its annual Memorial Day ceremony — last year’s was unfortunately canceled due to the pandemic. In addition to this ceremony, please visit the calendar on the Town website to see upcoming community

events or post your own event if it is open to the public. You can see calendar highlights on page 5. Although the Governor is lifting the outdoor mask mandate on May 1, I encourage residents to wear masks outside when you are near others and to practice social distancing.

At our recent meeting, the Board of Selectmen approved a local vendor, Café Rebelde, to sell coffee in the Grove. For many years residents have requested a coffee vendor in the center of Town and I hope that this will be another opportunity to bring residents together. Café Rebelde is run by local couple Carissa and Mauriel Vega and they import and roast single-origin fair trade coffee. They will begin to brew and sell coffee sometime in May and will also have pastries for sale.

Community events and the addition of coffee are part of my Town Center Beautification Plan to make the Town Center Campus a more active and attractive place. If you would like to help beautify our Town Center you may donate a flowering crabapple tree to line Fitzgerald Field along Center Road. These trees will replace some removed due to United Illuminating’s vegetation management program. There is also a bench donation program. To learn more or donate, please visit the Recreation page on the Town website.

Even apart due to the pandemic, we remain TOGETHER. May is Mental Health Month — we have all been through a very difficult time. Please prioritize your mental health and know that it’s okay to not be okay. Take care of yourself, check in on your neighbors and friends and be safe! If you feel you may need assistance please reach out to Town social worker Judi Young, 203-389-3459.

I wish to express my thanks and gratitude to all Woodbridge residents who have taken the time over the past year to reach out to me by phone, text or email. I have and will continue to listen to your opinions and suggestions. By working together, we can solve problems and enhance the quality of life in our wonderful Town. Please feel free to reach out to me at 203-389-3401 or bheller@woodbridget.org.

Town News

Small City Loans Available

Interest-free loans for certain home repairs are available to qualified Woodbridge residents.

The State of Connecticut Small Cities Housing Rehabilitation Program provides interest-free loans to replace furnaces, roofs, windows, and septic systems as well as ADA modifications for items such as entrance ramps and bathrooms.

To be eligible, homeowners must meet the following requirements: (1) gross annual income cannot exceed \$54,950 for a single household or \$78,500 for a household of four; (2) have at least 10%

equity in the home; (3) be up to date on municipal taxes; and (4) have homeowners insurance.

A key program benefit is that there is no out-of-pocket expense for this 0 % interest loan and payment is not due until the house changes title. The program also allows the Town to establish a revolving loan fund in perpetuity to provide assistance to additional residents who need home repairs.

For additional loan information, please call Tax Collector Pat Crisco at 203-389-3425.

Household Hazardous Waste

Beginning May 22, HazWaste Central at the Regional Water Authority (90 Sargent Drive, New Haven, CT) will open for household hazardous waste collections. Household hazardous waste may be brought to this collection site on Saturday's between 9 am - noon. Woodbridge residents are encouraged to look around their homes for any hazardous chemicals and/or cleaners requiring proper disposal.

The Woodbridge Public Works Dept. will host a Household Hazardous Waste satellite collection on **Sat., Sept 11, from 9 am - noon** at the Woodbridge Transfer Station located at 85 Acorn Hill Road Extension. This collection will be a great opportunity to clear your home and garage of unwanted chemicals.

For details about the Town's Hazardous Waste Program go to the Town website or call the Dept. of Public Works, 203-389-3420.

Fire Department Reminders

Steps have been take throughout the pandemic to prevent exposure/spread to not only our frontline firefighters but also to the citizens we protect. Response to calls continue 24/7. Below are a few reminders.

- Don't be alarmed if we respond to a medical call dressed in personal protective equipment (PPE) such as gloves, mask, goggles, gown, and face shields. This is strictly precautionary.
- 911 dispatchers will ask callers COVID -19 related questions.
- Out of an abundance of caution, PPE may be used in all response situations.
- Callers may be asked to meet our members at their front door or outside.

- Initial evaluation may be done at a distance of 6' until the situation is assessed.
- Depending on symptoms, you may be asked to wear a face mask.

Again, these measures are out of an abundance of caution while we limit potential exposure. Please continue to follow recommendations from our local, state, and federal officials along with the CDC guidelines. If you have any questions, please call the Fire Department's non-emergency number, 203-389-3441.

Thank you for your patience, cooperation, and sense of community as we work together to maintain a safe and healthy environment.
