New Fiscal Year; New Goals

July 1 begins our new fiscal year, and there will be several new elected Board of Selectmen members in addition to many new board and commission volunteers. Please join me in welcoming these folks who help guide and advise our town. I also send a big thank you to those who are leaving after their terms are completed. We are so blessed in Woodbridge to have so many wonderful and talented residents who serve us all!

I am looking forward to serving another term as your First Selectman. I will work together to rebuild our community post-pandemic, improve our Town Center, support the business district, grow our grand list, and cautiously re-open more services as the pandemic subsides.

One of my first goals is for the Board of Selectmen to present a list of projects to the public for a vote. The Town would need to borrow to accomplish these projects:

- Convert the Old Firehouse into a beautiful new Community Center and create a storage facility for the Fire Department to house materials that have been stored in two bays at the Old Firehouse since 2006.
- Renovate and update the Senior Center so that our seniors will have a modern, fresh, welcoming and air-conditioned space.
- Add a sidewalk to connect Amity Regional High School with the Library and Old Firehouse to better connect our Town Center.
- Refurbish three roofs at Beecher Road School.
- Remove the clubhouse and outbuildings at the former Country Club of Woodbridge.

Borrowing rates are at historic lows so now is the time to take on these large projects. As prior projects are paid off, our debt service continues to decrease. Thus, debt service from these projects will have minimal impact on our budget.

Together these projects will transform the center of our Town into a more active and attractive place that will help us create and sustain a sense of community.

Our community continues to come back! In July, the Recreation Department is bringing back the very popular summer concerts, and the Friends of the Library will host a book sale. Also in July there will be a concert in the business district. In August we're hosting an art event. Visit the Town website

to sign up for the Town's "enewsletter" to stay up to date on these, and many more upcoming events.

We are working on improving the business district. Thanks to a grant from United Illuminating, the Town is organizing an outdoor concert series on Coachman Square's lawn (see details below).

In addition to the concert series, the Town applied for State funding to add sidewalks on the western side of Amity Road to connect the Bradley Road area down to the border with New Haven. Additionally, the Town's 2030 Task Force is looking at improving the business district and exploring ways to diversify and grow the Town's grand list.

Lastly, I have good news about the pandemic: According to the State Department of Public Health, more than 70% of Woodbridge residents have received at least one dose of the COVID-19 vaccine! That does not mean that we should let our guard down. It is important to remember that many cannot or choose not to get vaccinated and children under age 12 are not yet eligible. I am very optimistic about getting back to normal, but we are not out of the woods yet!

As always please do not hesitate to reach out to me with any ideas or concerns. I can be reached at 203-389-3401 or bheller@woodbridgect.org.

—First Selectman Beth Heller

Friends' Gift Benefits All

Library programming is back, and our community is eager to once again participate in real life events! Thanks to a generous donation from the Friends of the Library, the Library was able to purchase a new speaker system to bring more programs outside.

The inaugural event for the new system occurred on June 6, when the Friends commemorated Barbara Rader, a long-time member of the Friends, featuring Dr. Mark Schenker from Yale University (above) who gave a lecture on Literature and Life. The Friends of the Library thank everyone who attended and contributed to the afternoon and look forward to many other events on the beautiful Library

lawn.

The system could not have been purchased without the tireless fundraising efforts of the Friends, as well as all of you in the community who so graciously support the Friends. This gift belongs to the community; enjoy future outside programs enhanced by this technology.

First Selectman's Youth Award Presentation

First Selectman Beth Heller presented winner Cristina Burland with a plaque for her service to the community. Tina also accepted a \$200 check from Scott Zimmerman of People's Bank.

Ms. Heller's speech honored Tina for her civic mindedness and kind heart. Ms. Burland founded the Woodbridge Together group who developed the Luminaria Project which commemorated the closures due to the pandemic and raised \$3,000 for the Woodbridge Rotary COVID projects. This along with card writing to relieve feelings of isolation for nursing home residents created hope and a sense of togetherness.

Students are nominated for the award each year for their commitment and volunteerism within the community. Our students who earned nominations deserve to be recognized for their willingness to share of themselves, which is the best gift of all.

Pictured above: Youth Services Director Nancy Pfund, Winner Christina Burland, First Selectman Beth Heller, Human Services Director Jeanette Glicksman, and People's Bank V.P., Woodbridge Office Scott Zimmerman.

This year's nominees also include Alison Su, Abigail and Emma Ressler, Paul Canaleri, Jonathan Speranzini, and Riley Numberg. These teens have worked hard to make a difference in our community, and are to be commended. They have spent countless hours to create a better Woodbridge.
