Continuing Plans for our Town

Summer is upon us, and the Town of Woodbridge is very busy with many projects and initiatives. In June, the Amity Regional School District budget was passed at a third referendum, following two unsuccessful referenda. I understand many in the community had different reasons for either voting for or against it. I think that one of the issues that concerned some folks was the newly-created Diversity, Equity and Inclusion position at Amity Regional High School. Our town and our schools are becoming more diverse, and it is important to acknowledge that. Sometimes, change can be uncomfortable, but it can also be an opportunity. I believe it is very important that all residents, and students, feel respected, safe and heard.

Recently all three schools in the Amity Regional School District made a commitment to receive the No Place for Hate designation, a program of the Anti-Defamation League. Twelve schools in Connecticut achieved this honor and Amity is the only school district in which all its schools were recognized.

In the summer of 2020, I created an ad hoc Diversity, Equity and Inclusion (DEI) Committee, made up of eight residents. They are working on determining ways to enhance diversity and inclusion. This committee just closed an online survey, and I am interested to find out what they have learned and how they will respond. Their findings will help the committee identify opportunities to better engage and serve all residents of our increasingly diverse community. I will keep you informed on their progress.

As an update on the Town's Affordable Housing Plan: The Board of Selectmen, at its Special Meeting in May voted to approve and adopt the Affordable Housing Plan which was prepared by the Town's Housing Opportunity Study Committee. I am extremely pleased that the Committee completed its work by the state deadline of June 1, 2022. Woodbridge is one of only less than half of the municipalities in the State of Connecticut that submitted its plan by the deadline. You may view the plan on the Housing Study Committee's page on the Town website.

I have heard from a few residents who were unhappy about Town-owned properties listed as sites which MAY be consid-

ered for housing. The mere fact that those properties were listed does not mean they will be sites for housing. The Housing Committee included those sites, and other privately-owned properties, due to their size and access to sewer and water.

The goal of the plan is to have 10% of our housing stock affordable. Connecticut (and Woodbridge) needs more affordable housing. We have a lot of large single-family homes, but not a lot of smaller homes, which are more appealing to first-time buyers and empty nesters. More diverse housing and affordable housing will help with that.

Another initiative we are working on is the Board of Selectmen's Strategic Plan. It has three main goals: ensure financial stability; maintain and invest in infrastructure and facilities; and enhance quality of life. The Strategic Plan is available on the Town website on the Board of Selectmen's page. Your feedback is most welcome. The subcommittee comprised of Selectmen Sheila McCreven and David Vogel are now working on how to manage and implement the plan. I also anticipate using the Strategic Plan as a guide when deciding how to spend the Town's federal American Rescue Plan Act (ARPA) funding.

Please keep your eyes open for the public information meeting the 2030 Task Force will hold this summer. The Task Force (made up of Town civic and business leaders) is charged with specifically growing our grand list and they are focusing on making the business district an attractive destination for businesses, customers and of course, residents. Please attend this meeting to learn about their efforts and share your ideas. Once a date and location is finalized it will be on the Town website.

As a reminder to all residents, Town offices (including the Library) will be closed on Wednesday, August 3, 2022 for professional development for our staff.

Please do not hesitate to contact me with any ideas or questions you may have. Stay safe and enjoy the wonderful weather. I may be reached at bheller@woodbridgect.org or 203-389-3401, should you need to reach out.

—First Selectman Beth Heller

Summer Burn Safety Tips

Summer is a time for fun, but the Woodbridge Fire Department warns residents to be cautious when using fireworks, grills, and other potentially dangerous materials. Here is everything you need to know about keeping your family and home safe this summer!

Summer is the time to enjoy vacations, camping, and picnics; however, summertime also brings fires and burn injuries due to fireworks and outdoor cooking. Know how to prevent a burn while you enjoy outdoor activities:

- Wear short sleeves or roll them up when cooking on the grill.
- Use long-handled barbecue tools.
- Keep a three-foot safe zone around grills, fire pits and

campfires.

- Attend public fireworks displays; this leaves the lighting to the professionals.
- First aid for burns:
 - Place the burn in cool water for three to five minutes.
 - Cover the burn with a clean, dry cloth.
 - See your doctor if the burn is larger than your palm.
