

HOUSING: KEY TO SUSTAINABLE GROWTH AND ECONOMIC PROSPERITY

HOSTED BY THE WOODBRIDGE
HOUSING COMMITTEE

IN COORDINATION WITH THE
ECONOMIC DEVELOPMENT
COMMISSION

The Woodbridge Housing Committee invites residents to a vital and timely community event focused on the role of housing in shaping a sustainable and economically vibrant future. This engaging informational session will feature a panel of experts addressing the intersection of housing, community development, and local economic growth.

WEDNESDAY, APRIL 30TH
6:30-8:30 PM
CENTER BUILDING GYMNASIUM

PANELISTS INCLUDE:

MICHAEL SANTORO, DIRECTOR OFFICE OF POLICY, RESEARCH & HOUSING SUPPORT, CT DEPARTMENT OF HOUSING

- Overview of Connecticut's housing needs and available State incentives
- Success stories from towns that have leveraged State programs

PHEOBE PLOOF, PROGRAM OFFICER HOUSING & CAPACITY BUILDING, LISC

- Introduction to the Community Housing Connections program
- Support available for local housing initiatives, including technical assistance and partnerships

DALE KROOP, DIRECTOR COMMUNITY RESOURCE MANAGEMENT LLC

- The economic case for housing development in Woodbridge
- The importance of workforce housing for attracting and retaining local businesses

DAVID MORGAN, PRESIDENT & CEO, TEAM, INC.

- The social impact of limited housing supply
- The role of housing stability in healthy communities

Justin LaFountain, Senior Vice President of Planning & Economic Development at Goman+York. Justin will provide data visuals and guide the conversation around demographics, population trends, and the link between housing and schools, employment, and economic development.

ALL ARE WELCOME TO ATTEND.
YOUR VOICE AND IDEAS ARE IMPORTANT AS WE WORK TOGETHER TO PLAN FOR A STRONG AND INCLUSIVE FUTURE IN WOODBRIDGE.
