*The Woodbridge Police Department reminds residents to always lock their unattended vehicles.*

*Opportunistic thieves continue to target unsecured parked vehicles, whether in a parking lot, a driveway, or in an open garage and steal not only valuable items, but often times the vehicle itself.*

*A thief, whether alone or in a group, can move through the area very quickly entering unlocked vehicles.*

*Most of these thefts involve vehicles left not only unlocked, but often with the keys or key fob left within.*

*Please remember, the key to preventing thefts begins with you.*
