## A CONVERSATION ON HOUSING AND COMMUNITY

THURSDAY, JUNE 26TH 6:30-8:00 PM

WOODBRIDGE CENTER CAFE, 4 MEETINGHOUSE LANE

JOIN US FOR AN OPEN DISCUSSION AND INFORMATIONAL SESSION ABOUT HOUSING IN WOODBRIDGE.

Whether you're a longtime resident, a newcomer, or simply curious, this event is designed to bring our community together to explore:

- What does "housing" really mean?
- Why is it such a major topic across Connecticut?
- How does it connect to our values, goals, and future as a town?

This interactive forum will be facilitated by David Fink, a respected Housing Policy Consultant with decades of experience helping towns understand the big picture when it comes to housing.

Whether you're just starting to learn about housing issues or have questions you've been meaning to ask, this is a welcoming space for all.

We'll explore topics like affordability, availability, zoning, and how housing connects to our town's values and future. It's a chance to listen, learn, share, and deepen our understanding together.

**ALL PERSPECTIVES ARE WELCOME. YOUR VOICE MATTERS.  
LET'S TALK, TOGETHER.**
