## **PRESS RELEASE**

### **Juvenile Arrest: Stolen Motor Vehicle**

On July 28, 2025 a 14-year-old juvenile from New Haven was taken into custody on an active juvenile arrest warrant. The juvenile's arrest stems from a July 13, 2025 stolen motor vehicle investigation where a resident's vehicle was stolen from their driveway and ultimately recovered after being abandoned a short distance from the residence. Officers investigating the incident obtained security camera footage of the incident and were able to identify the juvenile based on their past police encounters with the juvenile. Based on the investigation a juvenile arrest warrant was submitted to New Haven Juvenile Court and the warrant was granted with conditions from the presiding judge that the juvenile be taken into custody and turned over to the Department of Corrections upon being located. Upon serving the juvenile arrest warrant the juvenile was charged with 53a-119c and was turned over to the Department of Corrections at Bridgeport Juvenile Detention Center, and is awaiting a court date in New Haven Juvenile Court for their arraignment.
